NICARAGUA/
CIA AIR ATTACK

RATHER: CBS News correspondent Robert Shakne reports he has learned that it was the CIA by itself that staged the air attack on a Salvadoran rebel radio station in northern Nicaragua last February. Leaders of one of the CIA-backed anti-Sandinista guerrilla groups now says that they had nothing to do with the attack but were forced by the CIA to take responsibility. These leaders complained of this to a group of U.S. congressmen visiting Honduras last week.
